LET HER CHRISTMAS PRESENT SHOW YOUR APPRECIATION
THERE'S no one in the household of so great value as mother!

Her love and kindness are qualities that cannot be replaced at any price. The only way to show her your appreciation at Christmas is to buy her a gift of sentiment.

She would welcome a plain or elaborate piece of jewelry, a hand-bag, a toilet set or your photograph.

After choosing a gift for mother, it is also appropriate to remember sister, who has done her share in keeping the home together during the past year. Give her a wrist-watch, a manicure set, a fur neck-piece—something that she needs and wants.

In the Christmas Gift Suggestions columns in today's classified section you will be able to find out the best places to get these articles. Make a habit of reading it.
